Registration No. S/59154/2007

**Dear Donor,**

We at A Giggles Welfare Organization are deeply concerned about the plight of the underprivileged ones, we are trying to respond to the needs of disadvantaged communities at this unprecedented time when people are gearing up to come on track post the pandemic.

All because of your selfless support, it was possible for us to offer support to needy people in August 2025 like every month. If we look at this month August 2025, **we have distributed daily nutritional food, clothes, to poor and needy people.**

Sharing our efforts with you all brings a smile to our face, and we hope that August be our tireless efforts will encourage you to do something for disadvantaged people. With time, we realized that the real bliss lies in making others happy.

Here, you can see how our team is working for the grooming of special kids. We want our kids to be healthy and so their safety is our utmost priority, as we need our kids to grow strong for a brighter future.

Thanks for your unconditional love and support.

**Regards**
